Notes:

1. The Elementary Teacher Education Associate of Arts for Transfer Degree is designed for students planning to transfer to a four-year university ready to continue for a bachelor's degree in Liberal Studies and a preliminary Multiple Subject Elementary Teaching Credential. The degree will help prepare students to pass the California Subject Exam for Teachers (CSET), required for certification as an elementary education teacher in California. It is recommended that students take and pass the California Basic Education Skills Test (CBEST) exam, required for entry to university-level teacher preparation programs, after completing ENGLISH 1A and MATH 10A. California teaching credential requirements are subject to change; consult with a counselor each semester to ensure compliance with state regulations.
2. A minimum GPA of 2.67 is required for all credential programs at Fresno State University.
3. *LING 11 and MATH 10B are no longer listed in the major. Students intending to transfer to CSUF should take these two classes a part of the four units needed to complete the degree unit requirements.
4. Some of the above courses may have prerequisites. See the catalog or schedule of classes.
5. The *Associate Degree* requires completion of the major (56 units) with a "C" or better grade in each course plus the completion of the General Education requirements (either CSU GE breadth or IGETC) for a total of 60 **semester units** with a 2.0 or better GPA.
6. Some courses may not have an associated C-ID, please see catalog or counselor for more information.
